- Core activity: *globalme spring course*  
Summer activity: *globalme summer camp*  
Language courses: *globalme kids drama language courses*  
Business courses: *globalme talent enhancement courses*

The core activity of Globalme Projekttyhdistys ry, brings each spring an international course of 2.5 months on *global education in Finnish high schools and vocational schools* in Helsinki, Vantaa, Espoo, Tampere, Jyväskylä and Oulu.

**Objectives of the globalme spring course:**

- Raise knowledge on:  
*human rights, sustainable development, internationalism, personal development, citizenship & peace education*
- Decrease racism and violence
- Promote tolerance and cultural understanding

**The course registration periods for the participation of high schools and vocational schools for spring 2011 is:**  
*01 April – 01 October 2010*
